TO THE NEWS MEDIA

We hope the 1977 edition of Maryland Football will be helpful as you cover Jerry Claiborne's Terrapins this fall. With this book goes an invitation to visit us as often as possible. Our offices are located in Cole Field House, room 1145. For additional information do not hesitate to call day or night and we will make every attempt to be of assistance to you.

We will have a half dozen telephones available for telicopier use in the press box. If you want a private telephone please order it through your local office and we will have it installed at your seat. We will have operators to send your copy.

Please advise when your order is placed for credentials as to whether you will have a telecopier with you or your plans for filing from the Press Box. The Sports Information Office will have at least one and possibly two telecopiers available for use with all copy sent according to deadlines. Sports-Comm will also have a Computer Terminal in the Press Box sending for the Sunpapers. Make your arrangements with them if you desire their service.

Radio space has been reserved for the Official Visiting Team Station. Additional space requests must be approved by Russ Potts, Assistant Director of Athletics.

Only working press will be admitted to the press section of the press box and only accredited photographers on assignment and game personnel permitted on the sidelines.

A map indicating the Press Parking area is on the back of the parking passes. For those traveling by air and desiring Limousine service, it is more convenient and less expensive to use Baltimore-Washington International although Washington National is only 45 minutes from campus. For information on Cabs and Motels in the College Park area see page 72 of this brochure. The Cab fares listed are as of July 1977 and were obtained from the Airport Dispatchers, based on the most direct routes to College Park.

Weekly luncheons will be held with Coach Claiborne each Tuesday during the season.

A play-by-play, halftime and final statistics, scoring summaries and brief post-game comments from the coaches will be provided the working press at all home games.

For photographs and special requests address all correspondence to the following address for quickest delivery.

DIRECTOR OF ATHLETICS

JAMES H. "JIM" KEHOE

When Jim Kehoe assumed the duties as Director of Athletics in 1969 he took over a program that was struggling with 12 varsity sports and failing to achieve the national acclaim the growing University deserved.

Today Kehoe administers a program that encompasses 21 varsity sports, is self supporting financially and nationally acclaimed.

His seven years as Terrapin AD have been exciting to say the least. The Terps have become National powers in basketball, football and lacrosse with one of the most successful athletic programs in the nation both artistically and financially.

Kehoe approached the job with the same fervor and determination he had devoted to his duties as a teacher and coach for 24 years. The combined record of basketball, football and lacrosse in 1968-69, the year prior to Kehoe's taking over, was 17-30. The past four years the same three teams recorded a cumulative 161-42-1. The football team has visited bowls in four consecutive years, the lacrosse team has been in the NCAA Championship Tournament all seven years the tournament has been held, winning a pair of national championships and finishing second three times and the basketball team has averaged 23 wins a season for the past six years. Kehoe hired all three coaches, Jerry Claiborne, "Lefty" Driesell and Bud Beardmore.

Since Kehoe took over he has added Fencing as one of the ACC sports for Men and assumed the responsibilities for eight Women's sports instituting a scholarship program for women equivalent to that of the men's non-revenue programs. He was one of the first Athletic Directors to assume any financial responsibilities for the Women's programs and now has a total commitment to making the Maryland Women's program one of the best in the nation.

Despite the added responsibilities and financial problems besetting intercollegiate athletics today Kehoe directs one of the few athletic programs in the nation that is not operating at a deficit.

Financial stability was the most immediate problem facing Kehoe when he took over and he could not entirely depend on improvement in the revenue producing sports to solve this nor could he wait for this improvement. He lured his former track teammate, Col. Tom Fields, into retirement from the Marine Corps to direct the Maryland Educational Foundation and instituted a drive to revamp the image of Maryland athletics.

Kehoe was also one of the first to recognize the need for a merchandising plan, to build a radio network, create community interest, obtain advertising revenue and take advantage of the advertising possibilities at a minimum cost. He created the position of Promotions Director and hired another former Maryland product Russ Potts to head the promotional program.

The Terps have improved every area of the athletic department. Facilities now include an artificial turf practice field, a new soccer field, improvements in Byrd Stadium and Cole Field House, a modern football facility and one of the finest indoor tracks in the nation.

The Terps annually host a National Invitational Indoor Track meet, have hosted the USA-Russian Track and Field Meet, numerous ACC Championships, NCAA Basketball Regionals and Finals, NCAA Wrestling Championships and other National and International events.

As Maryland Track Coach, Kehoe saw his teams capture the ACC Indoor and Outdoor Championships in all but one year of the ACC's existence. He won the first and last 14 in each and in addition captured eight cross-country titles including his last six as a coach.

After taking over as track and cross-country coach in 1946 his teams won a total of 48 Southern Conference and ACC team titles. In dual meet competition his teams were undefeated for his last nine years and the track team had a winning streak of 27 and the cross country team 29 at his retirement. His track teams won IC4A titles in 1965, 1966 and 1969 to claim Eastern supremacy.

A native of Bel Air, Maryland, where he starred in several sports, Kehoe entered Maryland in 1936 and concentrated on track and cross-country. He lettered in all three of his varsity seasons, was undefeated in dual meet competition and won several Southern Conference titles in indoor and outdoor competition. He also established indoor and outdoor records in the 880 and two mile runs.

While a student at Maryland he was president of the Men's league, and a member of Omicron Delta Kappa National Honorary Fraternity.

In addition to coaching at Maryland he served as an Associate Professor of Physical Education and Director of Intramural Athletics. He holds an Honorary Doctor's degree from Steed College in Tennessee.

During World War II he served as an officer with the 81st Infantry Division in the Pacific, rising from the rank of Private to Lt. Colonel upon retirement. He participated in the Philippine Islands and Central Pacific Campaigns and was awarded the Bronze Star, American Service Medal, Asiatic Pacific Medal, Victory Medal and Philippine Liberation Medal.

Kehoe is married to the former Barbara Riggs England, a 1943 Maryland graduate. The Kehoes have four children, daughters Courtney Ann, Barbara Sue and Mary Lou and a son Jim. All four are Maryland alumni.

JERRY CLAIBORNE
Head Football Coach

Coach Jerry Claiborne will open the 1977 football season at Clemson on September 10 with a completely different outlook than that of September 9, 1972 when he opened his first season at Maryland against the North Carolina State Wolfpack in Raleigh.

The Terrapins visit Clemson with a record 20 game winning streak in Atlantic Coast Conference competition and 36 lettermen, including 12 who started in the 1977 Cotton Bowl game, and four who have earned All-ACC honors.

The 36 lettermen contributed greatly to a league record-equaling four consectuive bowl trips, three consecutive ACC Team Championships, three ACC "Coach of the Year" awards for Claiborne in the last four years, three District III "Coach of the Year" awards and The Sporting News National "Coach of the Year" in 1974.

Also the 1976 team was the first Maryland team to ever win 11 games in a season, led the ACC in defense for the fifth consecutive year, led the ACC in seven of the eight major statistical categories, ranked second in the nation in total defense, third in scoring defense and sixth in rushing defense. The team also ranked fifth in the nation in kickoff returns with a 22.3 yard average per return.

The team also ended the 1976 regular season with three consecutive shutouts, did not give up a touchdown on the ground in the last 22 quarters of the season, and was not scored on in the third quarter all season.

In contrast when Claiborne arrived at Maryland the Terps had a nine year record of 25-66 with a 20-36 league record during the same period. The nine years included a 0-9 season and the best was a 5-5 in 1964. The team also ranked last in the ACC in total defense.

Since joining the Terps Claiborne has been named to the coaching staff of the East-West Shrine game (twice), the Coaches All-American game, the Hula Bowl and as the Head Coach of the Japan Bowl in 1977. He has conducted Clinics in Europe (Ramstein, Germany and Alconbury, England) for the USAF, participated in the NCAA College Football Press Day (San Francisco),

and the 1977 NCAA College Football '77 preview in Kansas City.

Individual recognition had eluded the Terps for many years prior to Claiborne's arrival. The last Maryland All-American had been Gary Collins as a first team selection in 1961. Claiborne has developed Paul Vellano, Randy White, Joe Campbell and Steve Mike-Mayer as first team All-American selections with Louis Carter, Ed Fulton and Mark Manges as second team selections.

Randy White, the league's "Player of the Year" in 1974 also won the Outland Trophy, the Lombardi Trophy and UPI Lineman of the Year honors along with many others.

Prior to Claiborne the Terps had five All-ACC players in seven years and since then have had 26 named to the all-league team in just five years including seven on the 1976 team.

In addition his players have captured the league's Brian Piccolo award twice and the league's initial Jim Tatum award.

Claiborne's ability to motivate and develop football players is not only proven by the won-lost record and

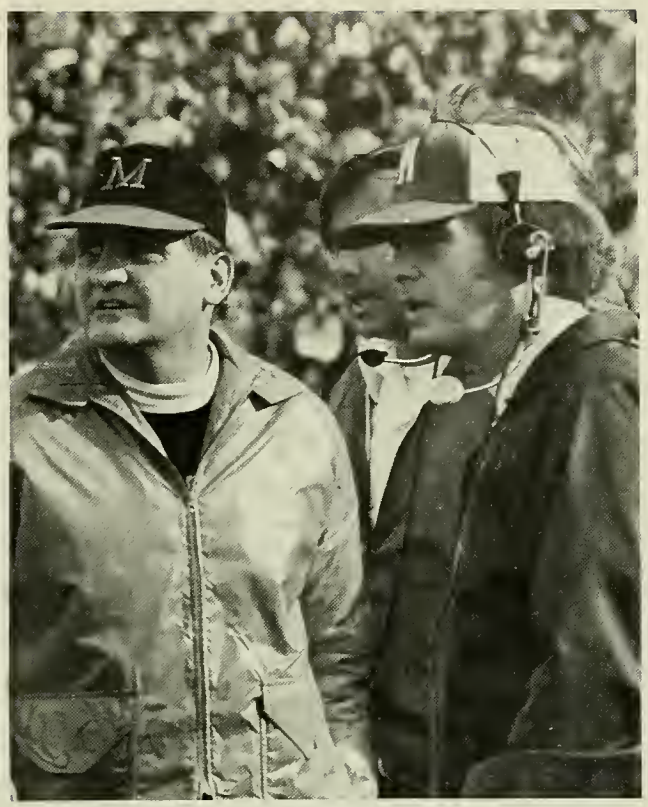
all star honors but is recognized by the professional scouts as well. In 1976 there were 13 Terrapins on NFL rosters and nine of the 13 were coached by Claiborne. In comparison no other ACC team had more than six. Eight members of the 1977 Cotton Bowl team have also signed with NFL teams.

The Terps have also developed 14 All-ACC Academic team members and a first team Academic All-American in Kim Hoover in 1975.

In his five years the Terrapins have literally dominated the ACC with a 24-3-1 league record after winning the last 20. Claiborne had a 24-24 tie with N.C. State in his league debut in 1972, lost a 20-14 decision to Duke and 31-26 to North Carolina the same year and then in 1973 dropped a two point, 24-22 decision to N.C. State. His 24 wins in five years include nine shutouts. In five league games in 1976 the Terps outscored the opponents 111 to 24 and over five years 806 to 286.

In five years at College Park Claiborne has had the Terps nationally ranked the last four years with a five year record of 41-16-2 although it took four different coaches 12 years to win 44 games prior to his arrival.

Claiborne is a strong advocate of recognition for his athletes. He is active in voting in the coaches poll each week, coaching in and contributing to the All-Star games, makes his contributions to the All-American teams and is extremely cooperative with the media concerning interviews for his athletes.



As an athlete Claiborne earned considerable recognition himself. He was named the outstanding senior on the University of Kentucky's 1949 team that went on to the Orange Bowl, while playing as a defensive back for Paul Bryant. During his senior year the defensive secondary at Kentucky established and still holds the NCAA record for pass interception returns.

In addition he was held in high esteem academically, elected into several honorary leadership-scholarship organizations including Lamp and Cross and Omicron Delta Kappa. He was selected the "Outstanding Senior" in the College of Education and graduated from Kentucky with "High Distinction" accumulating a 2.7 out of a possible 3.0 grade point average. In 1968 he was elected to the University of Kentucky Hall of Fame.

During his athletic career the most popular dress of youngsters in Hopkinsville, Kentucky was a football jersey with Claiborne's 88 on it. Many youngsters even painted the number on their TEE shirts when the jerseys were not available.

Claiborne began his coaching career at Augusta Military Academy as Head Football Coach and Basketball Coach. The first year his basketball team won the State Prep Championship and the second year his football team won the State title.

After two years at the Academy he returned to his Alma Mater as assistant coach with Paul Bryant. After two seasons Coach Bryant moved to Texas A & M and

with him went Coach Claiborne as defensive coordinator. In two short years Texas A & M was the Southwestern Conference Champions and Coach Claiborne's defense led the league.

He is no newcomer to building winning football programs. In 1963, his third year at Virginia Tech, he was named Southern Conference " Coach of the Year" after leading the Gobblers to an 8-2 record.

In 1966 he led Virginia Tech to the Liberty Bowl and was named the District III "Coach of the Year". In 1968 he again returned to the Liberty Bowl with the Gobblers.

In 15 years as a head coach he has won 65 percent of his games ranking among the Winningest Active Major-College Coaches in the nation.

He is an active member of the Fellowship of Christian Athletes and has served as a Deacon in the Baptist Church. While in Virginia he served as State Chairman of the Cancer Crusade and since moving to Maryland has served as Chairman of the Prince George's County Cancer Crusade. The Virginia campaign raised over $1,000,000 for the first time in the history of the state with Claiborne as chairman.

Mrs. Claiborne, the former Faye Hooks of Hopkinsville, is also a University of Kentucky graduate. The Claibornes have two sons, David and Jonathan and two daughters, Katie and Eileen. Jonathan is a defensive safety and starter on the Maryland football team and was an All-Atlantic Coast Conference All-Academic selection this past season.

Claiborne was born on August 26, 1928.

ASSISTANT COACHES

THE MARYLAND STAFF (from left): 1st row—Jerry Claiborne, Terry Strock, Jerry Eisaman, Dick Redding; 2nd row—John Devlin, Gib Romaine; back—Tom Groom, Jake Hallum, Morgan Hout, Rod Sharpless, George Foussekis.

John Devlin (West Chester '59)
Linebackers

Coach Devlin works with the group that Coach Claiborne has often mentioned as the key to the success of the wide tackle six defense. The linebackers are especially important to this defensive alignment and Devlin has a pre-season All-American back for 1977 in Brad Carr the leading tackler on the Cotton Bowl team with 157. Kevin Benson led the 1975 Gator Bowl team in tackles with 149 and Harry Walters holds the Maryland record with 173 on the 1974 Liberty Bowl team. All three achieved All-ACC honors and Honorable Mention All-American Honors with Carr picking up 106 of a possible 110 votes in the balloting for the all-league team last fall. Walters is now an established star in the CFL.

Devlin joined the Terps in 1973, replacing Bobby Ross who assumed the head coaching duties at The Citadel. He is quite familiar with the Terrapins' defensive alignment, having served with Coach Claiborne at Virginia Tech from 1966 through 1970 in the same capacity.

He served as the defensive line coach at Florida State for two years before joining Coach Claiborne at Maryland.

The native of Norristown, Pennsylvania began his football career at St. Matthews High in nearby Conshohocken and went on to West Chester State College. While at West Chester he achieved all-conference honors as a tackle and was also the weight man on the track team. His 1958 team at West Chester was called the best ever coached by Glenn Killinger, the Rams' coach for 25 years.

Devlin began his coaching career at Waynesboro high and then coached the Fourth Army team while serving in Germany. He joined Paul Dietzel at West Point for three years before moving to Virginia Tech with Coach Claiborne.

He was born in Norristown on April 12, 1937. While in Germany he married the former Irma Kleemann of Regensburg, Germany. They have four children John III, Elizabeth, William and Michael.

Devlin is seldom seen on a Saturday afternoon except when rushing to the locker room at halftime. He spends the game in the press box calling the defensive signals for the team that ranked as the Nation's second best in total defense in 1976.

Jerry Eisaman (Kentucky '60)
Quarterbacks

Coach Eisaman is once again in a position that every quarterback coach in the nation would like to be in. He

has two of the best quarterbacks in the country on the team. Mark Manges is considered a top candidate for the Heisman Award and Larry Dick took the Terps to the 1975 Gator Bowl after Manges was injured at Tennessee. Manges threw 11 touchdown passes last fall then added another on January 1 in the Cotton Bowl. In 1975 Manges and Dick combined for 12 touchdown tosses and Dick added the extra one in the Gator Bowl. In addition to their passing exploits, topped only by Bob Avellini also an Eisaman product now with the Bears, both are capable runners and Manges recorded the highest total ever for a Maryland quarterback with his 448 yards rushing last fall.

Over the last three years the Maryland offense averaged 407.6 yards a game in 1974, 375.2 in 1975 and 372.6 in 1976.

While at Kentucky Eisaman was recognized as the All-SEC Sophomore quarterback and was elected Co-Captain his senior year. He also played in the Blue-Gray game.

Academically, he received the Sam Huey award for the highest scholastic standing among the members of the football team for four years, and was a member of the Scabbard and Blade Honorary Society.

While an officer in the Army he coached the First Cavalry Division to the Far East Championship and also coached the Fort Knox Tankers. From there he spent three years at Senaca high in Louisville, Kentucky before joining Coach Claiborne at Virginia Tech in 1966 where he coached the offensive backs for three years. He served as the offensive coordinator at the University of Cincinnati for three years before rejoining Claiborne at Maryland.

Eisaman also spends his afternoons in the press box calling the offensive plays for the Terp quarterbacks. Coach Eisaman is a 40 year old bachelor.

George Foussekis (Virginia Tech '68)
Defensive Guards

Coach Foussekis achieved All-American recognition for three years while playing for Coach Claiborne at Virginia Tech and has developed an All-American at Maryland in Paul Vellano, a first team selection by the American Football Coaches Association in 1973.

Foussekis coaches with the same fervor that made him an All-American on the playing field and is just as successful. He has developed an all-league guard in four of the five seasons he has been at Maryland. Last fall he opened the season with Ernie Salley and Ted Klaube at guard but after both suffered injuries he developed Larry Seder into the All-ACC guard, following Paul Divito, a 1975 choice.

Coach Foussekis has been especially effective recruiting in his native state of Virginia. His recruits have included Walter White the tight end from Charlottesville, now with Kansas City in the NFL, and Ralph Fisher of Radford now with Buffalo in the NFL. He also recruited Steve Atkins and Alvin "Preacher" Maddox, two outstanding tailbacks, and Bruce Palmer, one of his guards.

Dave Visaggio, one of his guards, won the ACC's Brian Piccolo Award in '74 and Ernie Salley earned three letters as a guard before moving to tackle this fall. His guards have recorded 14 quarterback sacks in each of the last two seasons and have been very effective against the running game, as the Terps did not give up a touchdown on the ground in the last 22 quarters of the 1976 season.

Foussekis was a member of the Gobblers' 1966 Liberty Bowl team and signed with the Denver Broncos in 1968. He returned to Virginia Tech with Coach Claiborne in 1969 and worked with the defensive line there for two years. In 1971 he served as the defensive coordinator at William & Mary and rejoined Coach Claiborne when he assumed the head coaching duties at Maryland.

Coach Foussekis is a graduate of Lane High in Charlottesville, Virginia where he captained the football, basketball and baseball teams. He was named the Most Valuable Player in all three sports. His 1963 football team at Lane High won the state championship and he was named first team All-State.

The 31 year old bachelor was born on April 28, 1946.

Thomas Groom (Virginia Tech '67)
Offensive Setbacks

Coach Groom saw four of his backs contribute eight 100 plus yard games last fall and Steve Atkins contributed the school record of 215 yards against Syracuse on 29 carries. Three backs contributed over 600 yards each despite injuries to two of the three. Alvin Maddox rushed for 678 yards, Atkins 621 and Tim Wilson 610 while Freshman George Scott recorded 369 yards. The setbacks scored 21 touchdowns rushing.

In Louis Carter, now with Tampa in the NFL, Coach Groom produced the Terps' All-Time ground gainer and touchdown producer. Carter was a second team All-American selection by the Football News and the Most Valuable Player in the Coaches All-American Game in Lubbock, Texas. Tim Wilson the only back missing from the 1976 backfield, has joined Houston in the NFL.

Groom played his collegiate football for Jerry Claiborne at Virginia Tech where he was a three year letterman and as a fullback captained the 1966 Liberty Bowl team. He also captained the undefeated 1963 State Championship team at Charleston Catholic in Charleton, West Virginia.

Following graduation from Tech he remained as a graduate assistant until entering the Army as a Commissioned 2nd Lt. He served as an assistant coach at the USMA Prep School at Fort Belvoir, Virginia in 1968 and in 1969 transferred to West Point as an assistant coach under Tom Cahill.

In 1971 he served as a graduate assistant under Head Coach Eddie Crowder at Colorado. He moved to Maryland with Coach Claiborne.

Coach Groom is married to the former Sharon Dalton and they have two children, Thomas and Gina.

John "Jake" Hallum (Newberry '61)
Offensive Line

Coach Hallum saw five members of his 1976 offensive line, that led the Terps to the Cotton Bowl, depart and four of the five have joined NFL teams. Ed Fulton, Tom Schick and Dave Conrad were drafted while Bob Raba signed with the Jets as a free agent. Mike Yeates, the strongside guard, is the only starter returning for 1977. Conrad was twice name the ACC offensive player of the week last fall and Center Gene Ochap also earned the honor. Fulton, a Football News All-American played in the Hula Bowl and also the Japan Bowl in Tokyo. Fulton and Schick were both all-league selections and Ochap and Raba were on the All-ACC Academic team.

Hallum had Marion Koprowski as an All-Conference tackle in 1975 and Stan Rogers the all-league tackle in 1974.

The Terps are depending on Coach Hallum to put together another fine line in 1977. Several of the top candidates missed the 1977 spring practice with injuries.

Coach Hallum played four years of collegiate football at Newberry, receiving his B.S. degree in 1960. He received his Master's from Murray State in 1965. He began his coaching career at Pickens High in South Carolina as assistant coach in football and basketball and head baseball coach. In 1962 he moved to Hopkinsville High in Kentucky, again as an assistant in football and basketball and head baseball coach.

He then moved to Paul G. Blazer high in 1966 as head football and track coach, recording a three year record of 20-6-0 in football. His 1966 football team captured the District Championship and in 1967 won the State Championship. His track team placed third in the State in 1967.

Coach Hallum was named the "Outstanding Young Man" for the Ashland and Boyd County area in 1967, the Lexington Herald "Coach of the Year" in 1967 and the Kentucky High School Athletic Association "Coach of the Year".

In February of 1968 he moved to Morehead State University as assistant football coach and in April was named the head football coach and assistant professor. He served in this capacity until moving to Maryland to join Coach Claiborne. He left Morehead with a winning program and a 7-3 record in 1971.

Coach Hallum was born in Liberty, South Carolina on November 2, 1938. His wife Mable is a native of Greenwood, South Carolina. They have two sons, Tod Jacob and Bart Jeffrey.

Dick Redding (Springfield '40)
Junior Varsity

Coach Redding, in addition to his duties with the Junior Varsity, coordinates the scouting program that has been so effective in the past. He concentrated on the use of film for scouting before the new rules prohibiting scouting in person so the adjustment was minor.

He also works with the placekickers and has worked with a couple of the best in Steve Mike-Mayer, now with the 49ers and Mike Sochko. He is now working with Ed Loncar also.

Each year several of the players that begin fall practice with Coach Redding move up to the varsity and this includes the freshmen. Seven freshmen played on the '73 Peach Bowl team, six on the '74 Liberty Bowl team, 11 on the '75 Gator Bowl and nine made the trip to the Cotton Bowl last January.

Prior to joining Coach Claiborne at Maryland he had coached at Virginia Tech for 18 years, two years with the varsity line and 16 years as freshman coach. Coach Redding began his coaching career at Vermont College where he served as Athletic Director, football, basketball, baseball and track coach. He entered the Navy in 1941 as an aviator and in 1947 resumed his coaching career at Davidson College as assistant football and head swimming coach.

He has served as a member of the National Rules Committee in both track and swimming and is a member of Sigma Delta Psi Honorary Athletic Fraternity along with the National Football Coaches Association.

Coach Redding captained the football, basketball and track teams at Springfield College. He played in the 1940 NCAA basketball tournament as Springfield won the New England Championship.

He was born in Auburn, Maine on July 23, 1918 and is a graduate of Langley High in Pittsburgh, Pennsylvania. He married the former Elva Hedly and they have a son Dick.

Gib Romaine (East Stroudsburg '66)
Defensive Tackles

Coach Romaine had an honor in '74 that few coaches ever achieve. He coached the winner of the Outland Trophy as the nation's top interior lineman, the Lombardi Trophy as the nation's top lineman and winner of the UPI "Lineman of the Year" honors in Randy White. In White he was also coaching a Unanimous All-American choice and the ACC "Player of the Year". White is now a linebacker with the Dallas Cowboys. After having White as a two year All-American he came

up with another in 1976 in Joe Campbell, a Wilmington, Delaware native as was White. Campbell was a consensus All-American and also a first round draft choice of the New Orleans Saints. Ralph Fisher, the other tackle in '77, has signed with Buffalo.

Now he has another of the most talented players on the defensive line as Ernie Salley a three year letterman at guard has moved to tackle for 1977.

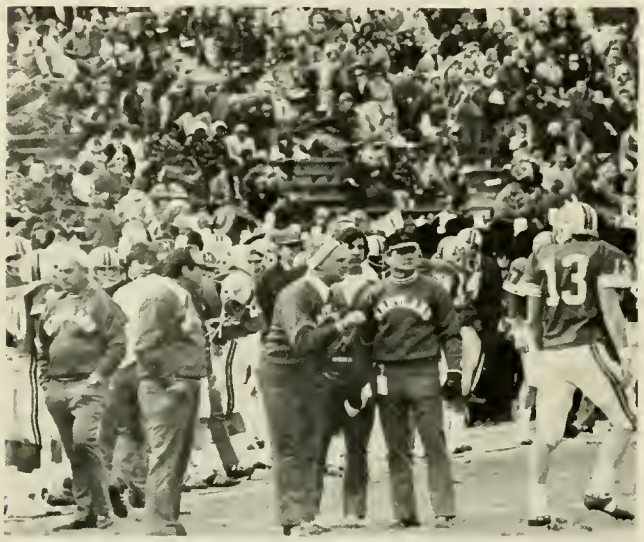
Coach Romaine was a defensive line coach at Kansas State for three years before joining Coach Claiborne's

staff. He had joined the Kansas State staff in 1969 as a graduate assistant working with the freshman team. He received his Masters in Physical Education from Kansas State in 1970 and served as varsity line coach for three years.

Co-Captain of the 1965 undefeated and third ranked NAIA team at East Stroudsburg, he began his coaching career at Mansfield State in 1967. He served two years as assistant football coach and assistant Dean of Men at Mansfield.

The 33 year old was born in Franklin, New Jersey on May 16, 1944 and attended high school in Port Jarvis, New York, where he earned 10 varsity letters before concentrating on football in college. He is a member of the Masonic Lodge and Phi Sigma Kappa Social Fraternity.

Romaine married the former Marcia Seymour, a cheerleader at East Stroudsburg and native of Mansfield, Pennsylvania. She taught school in Mansfield and also in Kansas.



Terry Strock (Virginia Tech '62)
Defensive Secondary

In each of the five years Coach Strock has handled the Maryland defensive secondary he has produced an All-ACC selection. Bob Smith was the all-league safety for three consecutive years, Jim Brechbiel, an all-league halfback in 1975 and Ken Roy, the All-ACC halfback last fall. In the last three years he lost Smith to the Colts, Ken Schroy to the Eagles, Pat Ulam to the WFL, Jim Brechbiel to Canada and Roy to New Orleans. Smith later returned to Maryland for Graduate School and a teaching assignment.

However, Strock appears to be pretty well set in the secondary for 1977 with Jonathan Claiborne and John Stanford both back at safety, Doug Harbert returning at halfback and Lloyd Burruss moving into Roy's position after a fine freshman year that saw him take over as a starter after Harbert suffered a knee injury.

The Terps were the nation's third ranked team against scoring last fall giving up only 7.7 points a game, as only 11 opponents crossed the goal line in 11 regular season games.

Coach Strock was Co-Captain of Coach Claiborne's first team at Virginia Tech, where he received his B.S. degree in Business Administration in 1962. He also played baseball for the Gobblers.

He began his coaching career as an assistant at Colonial Heights High in Virginia and a year later was named head coach at Culpeper, Virginia.

In 1966 he returned to Virginia Tech where he coached the offensive receivers for two years and the defensive backs for three years under Coach Claiborne.

He is a native of Hagerstown, Maryland and 1957 graduate of South Hagerstown High. He was born in Hagerstown on March 12, 1939. Coach Strock married the former Cynthia Fralin and they have two daughters, Cheryl Lee and Christi Lynn.

Morgan Hout (Temple '71)
Offensive Receivers

Coach Hout will take over the coaching of the receivers in 1977 and he has an exceptional group to work with, as the top three receivers from the Cotton Bowl return. Vince Kinney, Chuck White and Dean Richards accounted for 59 catches and nine touchdowns in 1976. With the new rule on downfield blocking on passes thrown at or behind the line of scrimmage the receivers are certain to see even more work in the coming season.

Coach Hout came to Maryland as a graduate assistant in the Spring of 1974 after having served as a head coach in the high school ranks in the Carolinas for three and a half years.

He started the football program at Harbor Christian School in Columbia, South Carolina as Coach and Athletic Director in 1971 and in his second year had a 6-4 record while also coaching basketball and baseball.

In 1973 he moved to Northside Christian School in Charlotte as Head Football and Basketball Coach and recorded a 10-2 football record. Working with the Junior varsity at Maryland he has coached the defensive backs, defensive ends and linebackers and handled the Scout team when they worked with the varsity.

Coach Hout is a native of Marietta, Georgia where he lettered in football, track and baseball, earning All-State honors in football. The 30 year old coach is married and he and his wife Brenda have no children.

Rod Sharpless (Maryland '75)
Defensive Ends

Coach Sharpless joined Jerry Claiborne's staff this fall and will have an expectionally fine group of defensive ends to work with. Chip Garber and Keith Calta both return as starters although Calta missed five games last fall with a knee injury. With Jim Shaffer returning after a fine freshman year and Joe Muffler also a returning letterman Coach Claiborne was able to move John Douglas from end to linebacker.

Sharpless played defensive end for Coach Claiborne in the wide tackle six and the native of Jacksonville, North Carolina is quite familiar with the defense. Had 11 tackles in the backfield for the 1974 Liberty Bowl team and only Randy White had more. He set opponents back 56 yards with his tackles including four quarterback sacks.

Since graduation he taught Physical Education, Recreation and Health at Winningboro High in New Jersey and also served as a Assistant Football Coach. As the Track Coach he led Willingboro to the Group IV Sectional Championship, the South Jersey Championship and runner-up for the State title.

Coach Sharpless was born on November 6, 1949 in Jacksonville, North Carolina.

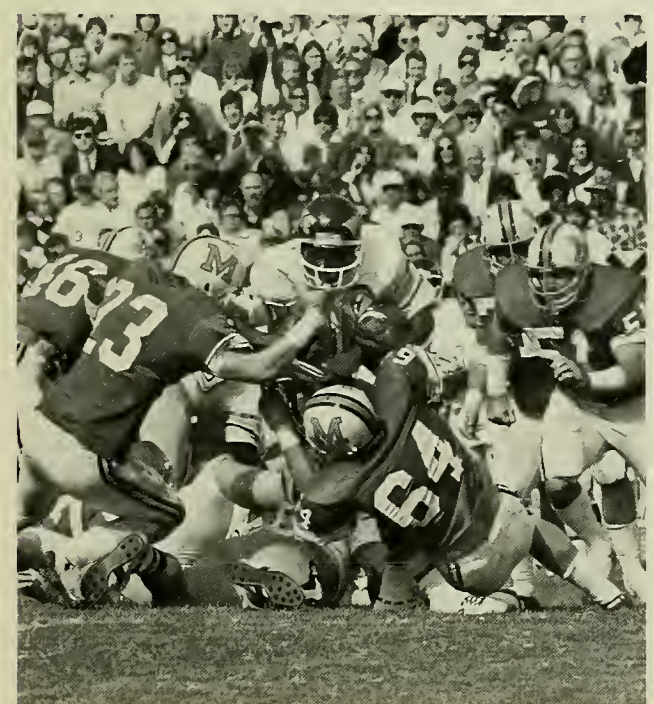
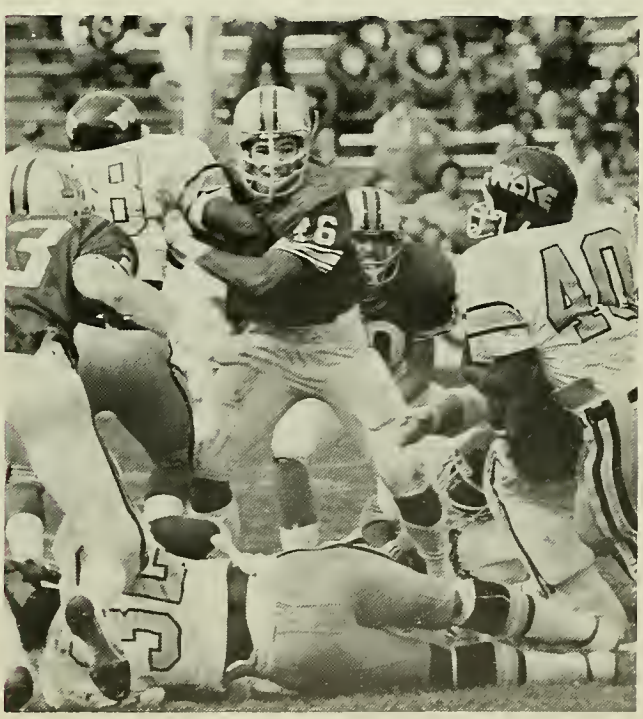
PERFECT "D" IN THIRD — Claiborne's Wide Tackle Six Defense has not been scored on in the third quarter of 13 consecutive games, including the Gator and Cotton Bowl games. Only three teams have scored in the third quarter in the last 29 games, and four in the last 34 games. Virginia with seven points in the third quarter of a 62-24 game in 1975 was the last to score. The other two in '75 were Cincinnati with six points and Tennessee with seven. In '74 only Alabama with seven, Florida with 10 and N.C. State with seven scored in the third quarter of 12 games — thus only six in the last 36 games.

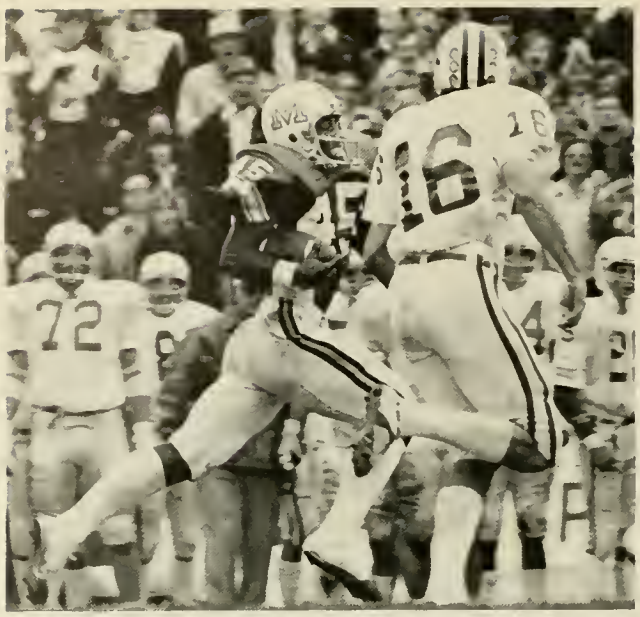
PERFECT "D" IN GAME — Claiborne's Wide Tackle Six Defense ranked third in the Nation in defense against scoring in '76 giving up 7.7 points a game. The Terps recorded three shutouts (final three games of season) and held West Virginia and Duke to field goals. In '75 the Terps recorded three shutouts (including Florida in Gator Bowl) and in '74 shutout five opponents. Three opponents were shutout in '73 and two others held to single field goals. Maryland has recorded 15 shutouts in 59 games with Claiborne.

THREE TOP RECEIVERS RETURN FOR '77 — Chuck White 23, Vince Kinney 21 and Dean Richards 15, the three top receivers in '76 return for the 1977 season. The three accounted for nine touchdown receptions and 790 yards. White caught a pass in 11 of the 12 games with a high of four against Duke. Kinney caught five against Houston in the Cotton Bowl, not included in his totals, and four against Duke and Clemson.

BRAD CARR TACKLES — The outstanding linebacker had at least 10 tackles in every game with a high of 24 against Richmond. He had 19 vs Syracuse and 16 against Kentucky, Clemson, and N.C. State. He has made 248 tackles for Terps with 26 (including seven QB Sacks) stopping opponents for no gain or losses. It all resulted in his picking up 106 of a possible 110 votes for the All-ACC team last fall. In the Richmond game he was in for 57 plays and got to the ball carrier for the tackle on 24 of them.







TERP ATTENDANCE RANKED — Maryland ranked among the top 40 teams in the nation in Home Football attendance last fall. The Terps averaged 42,359 as four ACC teams averaged over 40,000. The ACC attracted 1,340,096 fans in 37 home games as one of the country's seven one-million attendance conferences. The rankings included all of the nation's 637 four-year colleges playing football. The Terps averaged 45,657 in 1975 and 37,999 in 1974 in a stadium with 35,000 permanent seats. Additional seats will give the Terps a 45,000 capacity again in 1977.

TERPS DOMINATE SECOND HALF — Maryland outscored opponents 136 to 32 in the second half of the 12 games last year and 650 to 199 during the 48 games played in four consecutive bowl years. The four year comparison:

OPPONENTS:	161 - 150 - 78 - 121 —	510
MARYLAND:	251 - 356 - 321 - 329 —	1257

ACC WINNING STREAK — Maryland opens the 1977 season with an ACC game at Clemson and the league's longest winning streak, a record 20 games. The Terps started the streak with a 37-0 shutout of Wake Forest in 1973. Claiborne's record against league competition is 24-3-1 since he joined the ACC in 1972 with a 24-24 tie at N.C. State. He has outscored league opponents 806-286 in the 28 games with nine shutouts.

FRESHMEN PLAY FOR TERPS — Jerry Claiborne took seven freshmen to the 1973 Peach Bowl and all seven started for the 1976 Cotton Bowl team. One of the seven was a consensus All-American in Joe Campbell, three were All-ACC in Campbell, Ed Fulton and Ken Roy and those three along with Bob Raba and Ralph Fisher have signed with NFL teams. Five of the seven lettered on the Peach Bowl team and went on to earn four letters on four bowl teams for the Terps. One, Ted Klaube, did not play in '74 but started for the Gator and Cotton Bowl teams.

Six freshmen went to the '74 Liberty Bowl and three, Quarterback Mark Manges, Linebacker Brad Carr and Defensive Tackle Ernie Salley are looking for their fourth letter as starters this fall.

Eleven freshmen visited the 1975 Gator Bowl and four earned their letters with the opportunity to join the select group of four year lettermen. The group included Dean Richards, a starter for the Cotton Bowl team and tailbacks Steve Atkins and Alvin Maddox. Seven of the 11 lettered on the Cotton Bowl team.

Nine freshmen made the trip to the Cotton Bowl; one, Lloyd Burruss, started at defensive halfback and another, Tight End Eric Sievers, scored his first collegiate touchdown in the game. Four of the nine earned their letter last fall and have the opportunity to join the four-letterman list.

Thus 33 freshmen have participated in bowl games for Claiborne in the last four years and 16 have earned their varsity letters as freshmen. Fourteen of the probable starters this fall played in bowl games as freshmen.

INTERCEPTIONS STOP OPPONENTS — The Terrapin defense came up with at least one interception in 10 of the 11 games last fall. The Terps stopped Duke four times and Syracuse three times with interceptions and came up with a touchdown against Syracuse on John Stanford's 24 yard return. Only Villanova escaped without a pass intercepted and the Wildcats threw only three passes in a driving rain.

TERPS LEAD ACC STATISTICS — Maryland led the ACC in seven of the eight major statistical categories in 1976, the first team to ever lead seven. The Terps led in Total Offense with 372 yards a game and Total Defense giving up 211 yards a game. Maryland rushed for 261.3 yards a game and gave up only 116.7. The pass offense accounted for 110.7 yards a game, three less than the leader Virginia, and gave up only 94.3. The Terps however had four more touchdown passes than anyone else, the best completion percentage. The Maryland team led in scoring with 24.8 points a game and gave up only 7.7 a game with 114 less points scored

on them than anyone else in the league. Maryland has led the ACC in defense in all five of Claiborne's years at Maryland despite being ranked last the year prior to his arrival.

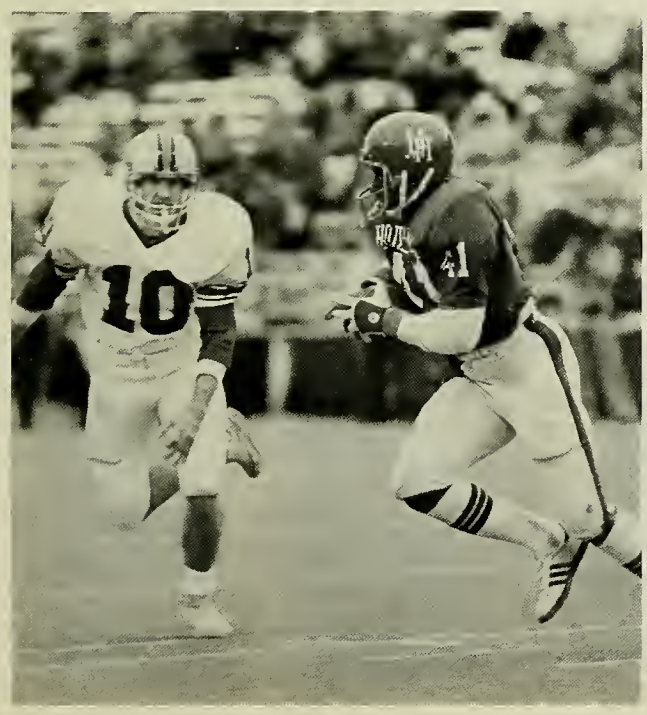
NATIONALLY RANKED DEFENSE — Claiborne's wide tackle six defense gave up only 85 points in 11 games to rank third in the NCAA Scoring Defense. Rutgers and Michigan tied for first with 81 points given up. The Terps trailed only Rutgers in Total Defense with their 211.0 yards a game and ranked sixth in Rushing Defense with 116.7 yards a game. The Terps were also fifth in Kick Off Return average with 22.3 yard average on 17 returns, a category they led in 1975. The scoring defense and rushing defense were both aided by the fact that the Terps did not give up a touchdown on the ground in the last 22 quarters of the regular season.

FIESTA BOWL ALL-AMERICAN — Quarterback Mark Manges was one of the 12 Outstanding Athletes from all sports participating in the Fiesta Bowl Spring Banquet and the NCAA-Fiesta Bowl Drug Education program. The athletes participated in anti-drug television spots produced for the coming season. Maryland's John Lucas participated in the program two years ago.

ACC HONOR ROLL STUDENTS — Ten Maryland football players were on the ACC Honor Roll list this past year. Jonathan Claiborne, starting defensive safety and the son of the Head Coach, led the list with a perfect 4.0 as a major in Accounting and Business Management. The others included Joe Muffler, a defensive end with a 3.7 in General Studies and Chris Ward with a 3.5 in Business Management. Linebackers Mike Miller and Bill Fotta, Offensive Center Gene Ochap, Safety John Stanford, Defensive Tackle Ken Watson, Offensive Lineman Phil Livingston and Freshman Defensive Back Ralph Lary III were also on the list. Claiborne, Muffler, Ochap, Ward and Watson were also on the list in 1975.

CLAIBORNE LEADS ACC COACHES — Claiborne leads the seven ACC Coaches in winning percentage both during his time in the league and his overall Head Coaching career. His 102-55-4 and .646 percentage leads Bill Dooley of North Carolina with 61-50-1 and .549 by a substantial margin. During his five years in the league Claiborne has recorded a 41-16-2 record for a .712 percentage. Of the 37 Head Football Coaches serving in the ACC only Lou Holtz in four years at North Carolina State ever recorded a better percentage with his .719 on a 33-12-3 record. The late Jim Tatum, former Maryland and North Carolina Coach, ranks behind Claiborne with a .667 percentage and 41-19-2 record in six years in the league. Bill Murray of Duke ranks fourth at .632 over 13 years and Frank Howard of Clemson fifth with .560 and 17 years in the league. Bill Dooley's .549 in 10 years is sixth. (Compiled by Dick Barkley, Information Director of Grandfather Golf & Country Club)

FOUR YEAR LETTERMEN — Kevin Benson, a four year starter at linebacker, and LeRoy Hughes, a tailback and defensive end were the first four lettermen for the Terps as they earned their freshman letter on Claiborne's first team at Maryland in 1972. In 1976 five more Claiborne recruits joined the four-letterman list. They were Joe Campbell and Ralph Fisher, defensive tackles; Offensive Guard Ed Fulton, Tight End Bob Raba, and Defensive Back Kenny Roy. Three more, in Quarterback Mark Manges, Linebacker Brad Carr and Defensive Tackle Ernie Salley are eligible to join the select group in 1977. Since the Freshman Eligible rule went into effect there have been 19 freshmen earn their varsity letters playing for Jerry Claiborne. In all 40 freshmen have suited up with the varsity since the new rule and 33 of them have participated on bowl teams in the last four years.



1977 TERPS

STEVE ATKINS (38) — Junior
6-0, 225 (6/22/56) Spotsylvania, Virginia

Atkins established himself as one of the top running backs in the nation in the first four games of his sophomore season but then suffered a knee injury in the fifth game against N. C. State and missed the rest of the season . . . In just four games plus seven carries against State he gained 621 yards, scored five touchdowns, had a 5.8 yard average per carry and averaged 124 yards a game . . . In his opening game he picked up 169 yards against Richmond, followed with 133 against West Virginia, and then set a school record with 215 against Syracuse . . . STRENGTH AND QUICKNESS

Jerry Claiborne rates strength and quickness high on his list of tangibles contributing to a winning football team. He was appalled at the lack of both attributes when he assumed the duties as the Maryland Coach in December of 1971.

In his initial testing of the Terrapins only seven were able to bench press over 250 pounds and only 14 ran the 40 yards in 4.9 or less. Claiborne immediately established a weight training program that has had phenomenal success, with his ability to motivate others a major contributor to the results.

This past spring 70 players bench pressed 250 pounds or more and 50 of them topped 300 pounds.

The weight training program received a big boost with the addition of the new football facilities that include one of the finest weight rooms in any collegiate facility.

All-American Defensive Tackle Randy White has proven just what dedication and adherence to the program can accomplish. He enrolled at Maryland as a 212 pounder who ran a 4.9 forty and could bench press 260 pounds. He left Maryland a 248 pounder who could bench press 460 pounds and run a 4.6 for the forty.

Demonstrating that the program is just as beneficial to the backs, Louis Carter, a 190 pounder, bench pressed 230 pounds and ran the forty in 4.8. He left Maryland as a 201 pounder who bench pressed 330 pounds and ran a 4.5 forty.

Incoming freshmen have responded to this success and Claiborne's motivation to surpass previous records each year.

The average speed of the squad this past spring was 4.9 with 10 timed in 4.6 or better.

Current backs bench pressing over 300 pounds include both offensive and defensive backs. Fullback Steve Koziol tops the backs bench pressing 420 pounds with Pete Glamp at 375 and Alvin Maddox 365 pounds. Steve Atkins, Lloyd Burruss and Mickey Dudish are among the 10 backs.

Mike Yeates, the strongside offensive guard, tops the linemen bench pressing 450 pounds with Marlin Van Horn, Larry Stewart, and Richard Cummins all over the 400 mark.

FIVE YEARS WITH CLAIBORNE

Jerry Claiborne's FIVE YEAR RECORD at Maryland ranks among the best in the Nation with only 10 teams winning more games during the five year period. NCSS in ranking the Nation's Division One teams for the five year period has the Terrapins ranked among the leaders in seven categories.

The Terps rank Sixth in RUSHING DEFENSE, Seventh in TOTAL DEFENSE, Eighth in SCORING DEFENSE, Fourteenth in WINNING PERCENTAGE, Fifteenth in SCORING OFFENSE, Twentieth in TOTAL OFFENSE and Twenty Fourth in PASSING OFFENSE.

No other team is ranked in all seven of the categories the Terps are ranked in as six teams missed out in the Passing Offense.

Over the five years the Terps have won .745 percent of their regular season games, while averaging 26.3 points a game and allowing opponents only 12.2. The opponents have rushed for 131.0 yards a game with a total of only 250.0 yards per game.

In contrast Maryland has passed for 153 yards a game with a total offense of 367.3 Oklahoma, Alabama, Michigan Southern California, Penn State, and Notre Dame were ranked with the Terps in all but the Passing Offense where they did not crack the top 25.

1974—Randy White and THE SPORTING NEWS "Coach of the Year" Jerry Claiborne with White holding the OUTLAND TROPHY, and Claiborne holding White's ACC "PLAYER OF THE YEAR" plaque. On table is Liberty Bowl MVP Trophy and THE LOMBARDI TROPHY. White's 94 was retired by the University.

Jonathan Claiborne, Maryland's starting defensive safety not only excelled for the Terapins, 11-0 regular season and Cotton Bowl team, in 1976 but was perfect in the classroom receiving straight A's for the 1976-77 year.

Claiborne, a senior is the son of Head Coach Jerry Claiborne.

Claiborne's 4.0 average included such courses as Intermediate Accounting, Advanced Accounting, Business Policies, Auditing Theory and Practice, Business Law, Business Finance, Afro-American History, American Colonial History, and American Frontier History among others.

With Claiborne as the deep safety the Maryland Football team recorded three consecutive shutouts at the end of the 1976 season as the Terps ranked third in the nation in scoring defense, 7.7 points a game, and second in total defense, 211 yards a game. He obviously was on the offense in the classroom.

Coach Jerry Claiborne has been named to the NCAA Football Rules Committee as one of the six Division One representatives. Claiborne also serves on the NCAA Professional Sports Liaison Committee.

Sports Information Director Jack Zane has been appointed to the NCAA Public Relations Committee for the coming year, as one of eight Division One representatives.

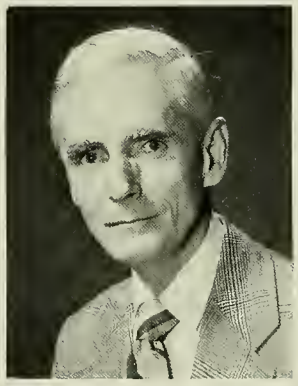
Gothard Lane has moved into the Administrative area of Intercollegiate Athletics after four years as a defensive end coach and Coach Claiborne's Chief Scout.

Lane will coordinate and supervise the recruiting programs and activities for the Athletic Department working both with the Men's and Women's programs. He will also coordinate activities with the Terrapin Club, "M" Club and Alumni organizations and operate a Speakers Bureau for the Athletic Department.

He is a native of Camden, New Jersey and product of Pennsauken High, a school that has produced several outstanding athletes for the Terps.

Lane played on the undefeated (9-0) Randolph Macon football team in 1968. He has coached at Bishop Eustace Prep in New Jersey, Randolph Macon College, Virginia Tech and Tulane. He is a 30 year old bachelor.



DR. CHARLES A. TAFF
Chairman The Athletic Council

Dr. Charles A. Taff, Professor of Transportation, College of Business and Management replaced Dr. John Faber as Chairman of the Athletic Council this past summer. Dr. Taff served as chairman of the Department of Business Administration from 1962 to 1973 and has taught at Maryland since 1949.

He is a graduate of Iowa where he also received his M.A. in 1941. After joining the faculty at Maryland he earned his Ph.D. in Transportation Economics in 1952. He has served on the athletic council for several years.

Many of his significant contributions in transportation and physical distribution have been used in the formulation of transportation policy by the federal government, and the managerial aspects of his research have been utilized by shippers, the transportation industry, and corporate management. He is the author of four books, two of which are in the fifth editions, a co-authored book in the third edition, and is the Editor of the Transportation Journal, a professional publication that is published quarterly.

THE TRAINING STAFF

WILLIAM "SPIDER" FRY (MARYLAND '51)
Head Trainer

"Spider" Fry returned to his Alma Mater in March 1967 as Head Trainer of Athletics. He had served for five years in a similar capacity at Dartmouth College.

Fry has become accustomed to training championship teams as Dartmouth reigned over the Ivy League while Spider was there and Maryland has captured consecutive ACC Championships while visiting three consecutive Bowls.

As an undergraduate, Spider earned his letter in varsity soccer and a B.S. Degree in Physical Education. He was an assistant trainer for several years before becoming Head Trainer at Dartmouth in 1962.

Fry became interested in training after suffering a soccer injury that ended his athletic career, at Maryland.

He was Director of District III for the National Trainers Association in 1958.

Spider and Sandy (Penn State '61) have a daughter Elizabeth Kay.

DR. STANFORD A. LAVINE — Team Physician

Dr. Stanford A. Lavine is Terrapin Team Physician.

As a quarterback on the 1949 Maryland eleven, Stan established one Terrapin record and shares another.

Against South Carolina, Lavine passed 15 yards to Ed Bolton who ran 77 yards to score. The 92-yard touchdown play remains the longest scoring pass and run in the Maryland record book.

Against George Washington, Lavine completed three touchdown passes, a mark he shares with several other Terp quarterbacks.

Dr. Lavine is an orthopedic surgeon.

COL. TOM FIELDS

EXECUTIVE DIRECTOR MARYLAND EDUCATIONAL FOUNDATION

When Jim Kehoe assumed the duties as Director of Athletics at the University of Maryland, financial stability was a prime concern and absolute necessity to achieve the goals he set for Maryland athletics.

Financial stability has been achieved but it is a continuing battle to stay ahead of rising costs.

One of Kehoe's first decisions involved the expansion of the Terrapin Club and Maryland Education Foundation with the goal of eventually assuming responsibility for all scholarship aid to Maryland athletes.

In order to achieve this, Kehoe lured Col. Fields into retirement from the Marine Corps and Fields has contributed greatly to the success of the overall athletic program.

When Fields returned to Maryland contributions to the Maryland Educational Foundation were minimal. For the fiscal year ending June 30, 1970 the contributions totaled approximately $30,000.

For the fiscal year ending June 30, 1977 contributions totaled $712,000 up from the $631,000 the previous year.

During the past year the Terrapin Club renewed 96 percent of their contributors and the membership now stands at 1,700, quite a jump from the 132 original members.

Of the 1,700 members, 16 are life members ($10,000 contribution), 276 are Diamondback members ($1,000 annual contributions) and 602 are Gold members ($500 annual contribution).

The contributions have not only enabled the University's self-sustaining program to remain just above the break even point but enabled the Terrapins to regain their National prestige in just about every sport. The University has also instituted a scholarship program for women athletes on a par with the program of the men's non-revenue sports.

Fields, a former Maryland All-American distance runner and teammate of Kehoe's took over his duties at Maryland in 1970 and his success has followed the pattern of his life.

His service to his country followed the same pattern he established as a track star for the Terrapins and recently as a University Administrator.

During World War II he served in combat on Guadalcanal, Vella Lavella, Bouganville and Iwo Jima. He also served in Korea and Vietnam and at the time of his retirement from the Corps he was the Deputy Director of Information Headquarters Marine Corps.

Colonel Fields and his wife, the former Patricia T. Hansel have four children Karen and Lori and Thomas M. Jr. and David.

"Jack" Scarbath, vice chairman and Dr. B. Herbert Brown the Board Chairman and founder of athletic committee.

ALFRED J. HANLON

ASSOCIATE DIRECTOR OF ATHLETICS

Alfred J. Hanlon is concerned primarily with scheduling, team travel, personnel policies and general office administration. He has been with the Athletic Department since 1969, when he retired from the U.S. Air Force with the rank of colonel after directing the Maryland AFROTC program for two years.

A rated command pilot, Hanlon commanded a heavy bomber squadron in England and North Africa during World War II. He has served in a wide variety of command and staff positions since that time. His military decorations include the Legion of Merit, the Air Medal with two oak leaf clusters, the Air Force Commendation Medal and the Presidential Unit Citation Badge.

Hanlon is a native of Boston and a 1939 graduate of Harvard University, where he was a varsity letterman in track. He is married to the former Barbara Foster of Boston, and they have three grown children, Christopher, Brenda and Mark.

RUSS POTTS

Assistant Athletic Director for Advertising and Promotions

Maryland football and basketball ranks among the leaders in television and radio coverage for the entire country. Much of this is due to the efforts of Russ Potts, Assistant Athletic Director for Advertising and Promotions.

The 38 year old Potts came to Maryland in 1970 when the Terps claimed only one radio station on the network. Since then the coverage has grown to over 50 stations in a five state area.

This year's football television coverage will see the Terrapins on TV six times in both Baltimore and Washington.

Russ' responsibilities include all advertising sales for the scoreboard, printed program and various radio and television packages. He is also responsible for all radio and TV negotiations as well as ticket promotions.

The Terrapin football and basketball printed programs are the nation's largest and the sales work of the Virginia native resulted in the modern scoreboards and magic message system in Byrd Stadium and Cole Field House.

Potts is a 1964 graduate of the University of Maryland where he received a B.S. Degree in Journalism. As an undergraduate, he was elected president of Sigma Delta Chi Journalism Fraternity and Phi Delta Theta Social Fraternity. In 1966, he was selected to the edition of "Outstanding Young Men in America."

Russ is married to the former Emily Ann Strite of Martinsburg, W. Va. They are the parents of three daughters: Kristi (9), Katie (6) and Kelly (3).

DR. WILSON H. ELKINS

PRESIDENT
UNIVERSITY OF MARYLAND

Dr. Wilson H. Elkins has been the major motivating force in the growth of the University for the past 23 years.

In 1954, his first year as president Dr. Elkins was responsible for an institution that enrolled 8,600 students and operated on a $23 million budget. In the 1975-76 academic year the total University, now composed of five campuses, reported its highest enrollment, a total of more than 78,000 students and its total budget this year was $316,880,830.

Despite the large increases in student enrollment, academic standards have been consistently strengthened during the Elkins administration as departments and programs throughout the system have gained national attention.

Dr. Elkins received his undergraduate and graduate degrees at the University of Texas where he was a member of Phi Beta Kappa. He attended Oxford University as a Rhodes Scholar, earning a B.Litt. and Ph.D. degrees.

He returned to Texas as a college history instructor and two years later in 1938, became president of San Angelo Junior College. In 1948 he became president of what is now the University of Texas at El Paso.

Long a sports enthusiast, Dr. Elkins is an avid golfer who won eight varsity letters in football, basketball and track while attending the University of Texas. He was named to the Texas Sports Hall of Fame in 1963 and was the recipient of the Distinguished Alumnus Award from his alma mater in 1972.

The president's term at Maryland places him in an elite group of college and university presidents. He will conclude his 24th year as president next June (1978) during the University's 170th anniversary. His term in office is believed to be the longest of any current president of a major state-supported university.

DR. ROBERT L. GLUCKSTERN

CHANCELLOR
COLLEGE PARK, CAMPUS

Robert L. Gluckstern begins his third year as Chancellor of the College Park campus, the eighth largest campus in the nation. The unique mission of the College Park campus is to provide a full range of programs at baccalaureate, masters, doctoral, and post-doctoral levels. "As the problems that confront our society increase in number, scope, and complexity, the College Park campus," according to Dr. Gluckstern, "must reaffirm its commitments to research, scholarship, and the advancement of knowledge, including the search for solutions to social problems and the pursuit of excellence for its own sake."

One program at College Park that emphasizes academic excellence is the new Chancellor's Scholars Program. Initiated during the past year with financial support from alumni and other friends of the University, the Chancellor's Scholars Program seeks to attract and retain top quality students to College Park through the annual award of $500 renewable scholarships to outstanding high school students who are recommended by their high schools for the awards. The first eleven Chancellor's Scholars will be at College Park during the 1977-78 academic year.

The emphasis on quality that has characterized Dr. Gluckstern's administration leads naturally from his own academic background. Educated at the City College of New York (Electrical Engineering) and MIT (Ph.D. in Physics) Dr. Gluckstern taught at Yale University for fourteen years. In 1964 he joined the faculty at the University of Massachusetts at Amherst as professor and chairman of the physics and astronomy department. Under his leadership, the department grew from 14 to 52 faculty members and increased federal support from $30,000 to $950,000 a year.

He became associate provost of the University of Massachusetts in 1969, vice chancellor for academic affairs and provost in 1970.

A member of the Terrapin Club, he is an avid fan and works out on the racquetball courts. He frequently reminds people that Maryland can be proud of its athletes who have combined varsity skills with excellent academic records.

Despite the pressures of administration, Dr. Gluckstern continues to be active in research and to teach at least one undergraduate physics course each semester.

Dr. Gluckstern, who is 52, was born in Atlantic City, New Jersey. He is married to the former Norma Block. The Glucksterns have three children.
